Re: Report of potential capital projects pursuant to Section 120-157.2 of the North Carolina General Statutes

Ladies and Gentlemen:

Pursuant to Section 120-157.2(a) of the North Carolina General Statutes, as amended, the County of Alamance, North Carolina (the "County") hereby provides notice of proposed capital projects consisting of (i) renovating, repairing, equipping and improving the County's emergency medical services garage, (ii) renovating, repairing, equipping and improving the County's family justice center and (iii) renovating, repairing, equipping and improving the County's human services center (collectively, the "Project").

The County anticipates financing the costs of the Project, together with the costs of additional capital projects including jail facilities and courthouse facilities, through an installment financing agreement that the North Carolina Local Government Commission will consider approving at its meeting scheduled for June 2, 2020. The County anticipates that the total cost of the Project will be approximately \$2,200,000.

If you have any questions or require additional information, please do not hesitate to contact me.

Sincerely,

Susan R. Evans
